

# Arms of Mercy

By Jon Haarstad

**E E/G# A2 B (x4)**

## Chorus

**E E/G#**  
I want to get lost. I want to live free.

**A2 B**  
In Your arms of mercy.

**E E/G#**  
I fall to the ground. My hand reaches out.

**A2 B**  
Into Your lap of grace

**E E/G#**  
I need to know love. I want to know peace.

**A2 B**  
Authentic in Your face.

**E E/G# A**  
I want to know You. I need to touch You.

**Am**  
Jesus

## *Verse*

**C#m B E**  
Finding myself looking in

**C#m B E**  
Through my heart to the gap within

**C#m B E**  
The grace I need is the grace you give

**C#m B**  
My soul cries...

## *Bridge*

**E E/G# A B**  
Washing away my filthy stains. You drank the cup that was meant for me

**E E/G# A B**  
For the price – Your sacrifice. All I can give I give to You
